

INTERNATIONAL SOCIETY FOR PROSTHETICS AND ORTHOTICS

6 June 2024

Dear Raed Alkhatab,

On behalf of the International Society for Prosthetics and Orthotics and in my capacity as ISPO President and on behalf of the ISPO International Executive Board, I would like to express support for your endeavour to organize the first International Congress of Prosthetics and Orthotics in the Middle East that will take place in Amman, Jordan in November 2024.

The ISPO Executive Board welcomes and appreciates ISPO Jordan's efforts, undertaken jointly with the United Arab Society for Prosthetics & Orthotics (AUSPO), to organise this first cross-border educational event relating to our sector in the Middle East, thereby increasing the collaboration among ISPO national Members Societies in the area and advancing ISPO's mission.

ISPO International will be happy to support and promote the congress through its communication channels to obtain the best possible outreach. Furthermore, ISPO will support the event through recommendation of relevant speakers and providing input into the draft scientific program.

ISPO is very fortunate to have such committed members in the Middle East area, supporting ISPO's mission to further grow the Society in the region.

With kind regards

Yours sincerely,

David Constantine
ISPO International President

President:
David Constantine (United Kingdom)
